When the World Calls

~~Called~~ ~~Called~~

The World calls - I have to grin it
 Makes me blush - I'll be there want to
 The World calls - Says leave your fancy
 Say shucks - I gotta go ~~to the~~ ~~world~~
 cause the World calls ~~for me~~
 now I got the ~~gods~~ ~~to~~ ~~the~~ ~~bulls~~
 Its so ~~fast~~ ~~old~~

Ch: The world calls ~~in~~ ~~the~~ ~~world~~ ~~calls~~

The Worlds here - I start to starve
 say dont fear - I keep from clamber
 The Worlds here - I get it I see
 We ~~are~~ ~~awhite~~ - I'm here with me
 and the world here - here it sits
 I try to be polite - but can't believe it

Ch: The Worlds here The Worlds here

The World goes - says goodbye
 I start to the door - we had and sign

The World goes - surprising guest
 never thought it could please I confess

Now the Worlds gone - I walk back in
 Prop my feet on my ~~chair~~ ~~in~~ ~~the~~ ~~den~~
 The Worlds gone ~~the~~ ~~Worlds~~ ~~gone~~

The World calls
 I never knew it'd come + go
 I never knew I could be so
 I never knew it'd ~~be~~ ~~so~~ ~~fast~~ ~~and~~ ~~fall~~
 and now I always answer ~~with~~ ~~my~~ ~~hand~~
 when the World calls
