

Barbara Kay 6/786

Barbara Kay sat down ~~to~~^{to} food up
pushed back her chair
Walked across the kitchen floor
Barbara Kay went to her room
threw some clothes on
She didn't take a minute more
~~didn't take a minute more~~

Barbara Kay took my keys and went out
turned at the doorway winked at me
Barbara Kay went to the liquor store
Back in ten but she was quicker than that she
she was quicker than that
Barbara Kay!

Barbara Kay says that I'm making her laugh
~~we~~ We just got back
She wouldn't drive my car

Barbara Kay says ^{lets} go take a bath
She wants to ~~help~~ clean up

She wants me ~~with~~ with her
and she knows
That I'm here

Barbara Kay!

Barbara Kay!
