Coupli complicated & love you put up with so much
yeh coupli complicated how do you keep in touch

Sepa separated in life as it is through

And complex complicated must this thing be for you

That's why I want you to know

I adore you - nature ~~is~~ is normal

I adore - that's adoration

I fought it all I can but what's the use

If you can do the things you do

Then I can only find myself

Adoring you adoring you adoring you

Emancipated is my thirst for truth

Desa desasral is the life & renew

Lasa lasaral - honey if you choose

And coupli complicated are the things I do

That's why I want you to know:
