

Cresent 1903 Halloween
Happy Birthday Daddy

Who ~~was~~ once glad in Miami
in a Heron and
Stead of going ~~to the~~ fighting
worked on bombing planes
Wouldn't let me have a bebe gun his name
Is Daddy Happy Birthday today

Who had dinner and talked business with Trudy's house
Paid off his fathers debts and then he made a bunch
~~of~~ Didn't take a plane that crashed just on a hunch
It's Daddy Happy Birthday Today

Who tried to pry the mystery of pineal gland
Took me off to buy cement and sand
at night he read the Bible and by day he traded land
It's

Who told me theres no death or matter anyway
Said that thought was God and find it out someday
Tried to teach me baseball but he couldn't play

Who taught courage to my mother ~~and then~~ ^{and they kissed} a lot
Always spoke with kindness ~~and~~ ^{or he} spoke not
Had a drunken weekend marriage once that went
to pot

Jordanine Lewis - 65
Arthur Wine man - nephew

Who hailed McArthur ~~and~~ ~~scored~~ at Truman years ago
Started feeling sick at Aspen in the snow

~~before he'd go~~

~~Mother~~ ~~met~~ ~~him~~ ~~briefly~~ once with Arthur Ford

~~And 2 years old today~~

Ah come on honey give me some more
I sang the song where
She was quite a frame and I know her name
She said shut up as she closed the door
Time was wasted she had bills to pay
and she didn't take very long
Then she smiled she pulled out a handkerchief
This is a pornographic song

It's a detour in heaven fate for fellow ~~pleasure~~ ~~plan~~
Flesh gets my mouth watering ~~but~~
and I'm crazy over nurses' membrane
Now the lady who has a good sex drive
~~is~~ called sleazy sluts and other names
We should be grateful for their energy
From where the hell you think we came
after night shifts that screwing in kitchen off strangers
Just take care of your own dirt underwear. This is
