

~~Im~~ Honey ~~should~~ we swat the demons
~~what~~ about the banishes and the Tramps
Drop the oracle a line
Tell your friends were down ~~fine~~ ^{fine}
~~and~~ while we sleep tonight leave low the lamps

Maybe ~~we~~ should put them in the dust pan
~~we~~ Poochs and ~~the~~ ravens won't complain
There's a way to handle this

~~we~~ ~~your~~ ~~guess~~ what it is

~~we~~ give rise to doubts ~~and~~ they will turn to flame

Shao ~~him~~ warns against exterminators

Zen ~~him~~ says don't ~~do~~ ~~it~~ ~~to~~ ~~the~~ ~~sea~~

Although there is no escape

This need ~~not~~ be of any shape

If we ~~base~~ working late it will ~~be~~

Gremlins ~~we~~ have driven over our yard

Gargoyles ~~we~~ have ripped our bones and meat

~~at~~ one flight ~~turn~~ ~~to~~ ~~see~~ ~~the~~ ~~wind~~

~~we~~ always choose our friends
and there is no party gown we can't leave
