

Torture Drs. of Grenada 11/12/83
where they study? / On a tropical isle
who they work for? / Shut yer mouth
a growing profession / A job to be done
and after confession / they lie in the sun
The ~~public~~ medical school had to specialize
to keep up with the changing times
And now like Florence Nightingales, those
~~a new breed is born~~ They fly ~~to where the~~ ^{who wait + wait}

I own below the everglades / Supper on their ^{knowing}
they its off to ply their trade
Torture Drs. of Grenada
although under the National Guard
the door opens / hes on the job
a very good day / and howt are ye?
~~she looks ok~~ / You may proceed
He waits outside / the day is hot
They go to work / When the screams stop
Spare no cost + spare no labor
Made in America who caters
to the torture chambers of her neighbors
Torture Drs. of Grenada
Hold Still / Say ah / I won't kill ya / Unless she yells
It's a government service / You should be grateful
Now just answer their questions / You'll say out of trouble

If not for this I'd be a waiter / Hippocrates my agitator
be 1111 rounds I'll see us later

~~It's new breed is born~~ They fly ~~to where the~~ who wait & wait

Down below the everglades / Supper on their knees
Then its off to ply their trade
