

Who are the Punks

7/82

Funny Sez Oh Graft ^{on} ~~scat~~ ~~the~~ ~~Statue~~ ~~Statue~~
Scribbled out "punks rule"
Passing leaflets looking at you
~~the~~ People ~~sure~~ get cruel
Governments and those who serve
Certainly have got their nerve
Scratch my head to think of it
Wondering zactly who

Who are the Punks

Muggers lurking in the alleys
Mohawks on the streets
Look it up in Rand McNally
Rip out page & eat
Nation states & their relations
~~not~~ Greed of giant corporations
which will make a bigger lump
~~and what~~ can mega-freak

Who are the Punks

They are evil as ~~the~~ selfish
and you're worried about these kids

Really now how can we stand it

How can we comply

Things are worse than underhanded

We are out of mind

~~the~~ Poor folks choke the people jokes
and thanks the people for their votes

~~From~~ ~~Factor~~ ~~From~~ ~~green~~ ~~handed~~ ~~frakes~~ ~~to~~ ~~Lebanon~~

Folks are getting all stepped on
who are the Punks

On the back streets one day
I was making my way
When I saw a ~~fat~~ man with a ~~bag~~ ^{bag}
What is this that you carry
I said to the very ~~same~~ ^{chase}
Old fellow that you ~~are~~ ^{chase} to drag
~~Oh~~ it's not what I hoped
and I'd nothing of ~~gold~~ ^{gold} ~~style~~
~~He said to me~~ ~~that~~ ~~it~~ ~~was~~ ~~nothing~~ ~~I~~ ~~got~~ ~~at~~ ~~that~~
But which I hold is nothing of gold
It is only a broken heart

~~Then you'll know~~ ~~that~~ ~~the~~ ~~strong~~ ~~die~~ ~~best~~

①

~~Then you'll know~~ ~~that~~ ~~the~~ ~~strong~~ ~~die~~ ~~best~~
Do ~~not~~ die but the weak die ~~quicker~~

②

~~and~~ ~~you'll~~ ~~know~~ ~~that~~ ~~the~~ ~~strong~~ ~~die~~ ~~best~~

③

~~and~~ ~~you'll~~ ~~know~~ ~~that~~ ~~the~~ ~~strong~~ ~~die~~ ~~best~~
~~She~~ know the glory of war without hurting a soul.

④

Then you'll know that nuclear war cannot
be won

⑤

Then you'll know that it's time to come home.
