

Every Day's a Good Day

2/02 Fun

Sittin there in who you are
Be you Bezo be you stop
Cushion, chair, or fallen tree
Callin to the ~~front~~ in the
~~Back~~ to be just a here you are
Happy ~~time~~

Standin' up is gosh a mighty
Beyond the good + wrong + left + right
Any names like Buddha Tao
Allah God King Holy Cow
Don't begin to cast light on you light

tyin' down the run of day is over
Here you are in dreams of dreams + close
Now you know why they all say "one way,"
Like the planes upon the runway
Watched on by the ~~perp~~ night gophers
Evens perp

Every Day's a Good Day p. 2

And as the mountain man say

Every day is a good day

Every day is a good day.

(those chords again)
