

Oh my doll

~~Transcendental~~
~~Intentional~~ ~~whole~~
~~to follow the way~~

I dream of you
and the wall ^{garden} _{Am}
reveals you too

11/01?

~~But the trees~~
In the wind

~~That winds~~ ⁵⁶⁷ ~~the blue~~
I remember who was there
who took the time ^{Am} ~~to care~~
and I ~~declare~~ ^{and the time} ~~to care~~
To one so far ^{the time} ~~to care~~

~~But I love you~~
To one so far
I declare how —

—

Oh I love you
yes I do

2

~~I + is clear~~ In the clear
~~that I love you~~ In the ~~clear~~ ^{out} ~~clear~~ ^{low}

and as your ~~with~~ ~~lifts~~ ~~up~~ ~~into~~ ~~the~~ ~~air~~
I let you go to ~~fly~~ ^{fly} ~~up~~ ~~into~~ ~~the~~ ~~air~~ ^{up} ~~where~~

There is no need
to have to wear
the garment or the shoe
and dear indeed

~~But~~ as memory bleeds
I'll long remember you

Oh yes I will

~~Return to~~ the west

Beyond the hill

Until I fail

Here is my heart

It will disappear

But there you are

There's no accounting

For the stars

That stare at us until

We are the ~~stumbling~~ stumbling

~~slowly~~ slowly sinking

~~To meet again~~

~~to the ocean~~

~~To meet~~ to the ocean then

To meet again
as the family, flowers, friend
as the lion ~~and the prey~~ ^{prey} ~~of~~

Indra's dancing net within
the changing partners women men
From children born anew

~~Not to us as to us~~
Such hands will lead us to fall places
always home
always touching
always lone

always perfect
~~stays~~ ^{oh} ~~always~~ ^{always} ~~stays~~ ^{gone}
~~always~~ ^{stays}
~~always~~

~~with a breath~~ and held by lone
You left me and you flow ~~out there~~

~~off~~ a defocus into the wind
I'm ~~floating~~ ^{floating} out into ^{and shadow}
The ~~light~~ ^{light} ~~and shadow~~
~~our~~ new faces ^{throughout}

~~I can love you now & love you~~
