

Once upon a place <sup>D</sup> Fall 2000  
 I first saw your lovely face <sup>B7Em</sup>  
 Oh yes we met by chance  
 and I said <sup>Sweet</sup> lady may I have this dance

And we danced and danced <sup>E</sup>   
 and danced " " " " <sup>C</sup> ) 2X

1) With your dancing eyes and  
~~smile~~ smile on feet on hands

2) With your dancing hips and  
 breasts on dress on glance  
 I've danced on danced on danced  
 " " " " "

Love like this <sup>no stop</sup> but we've made  
 wouldn't take ~~a woman~~ <sup>to trade</sup>  
 come to me and join our hands  
~~to my~~ lady may I have this dance  
 Kindly
