4/25/01

6  
You got yours & I got mine

Once ~~we~~ was we were Valentines  
But now we drink the universe

You on your side  
I'm on ~~the~~ other  
King + Queen of something or other  
Who split the ~~universe~~ cosmos

B (There's nothing else  
for the few directions  
~~It's all~~ That's not either  
yours or mine)

You're the Southern  
I'm the North  
For whatever I'm with  
lord + lady of all space + time

B  
Were our poles  
and were our spheres  
~~Empty~~ Infinite and empty seas  
~~As~~ Just as wet can find us.

~~There~~ There it's counter here, it's clock  
Here's ole Hammon & here's the rock - same <sup>dancing</sup> ~~same~~
