

Madam Shang Arcade

The sign outside says video games
Don't be bashful walk right in
Step up to the window + get your change
Then go + put your quarters in.

(X) At Madam Shang's arcade, at Madam Shang's arcade
Then you'll know that she strong with it but she's a quickie

Packman Packman, pack 'em in (Put in quarters)
Then you get a blister on your skin
(Then you'll know that strategy is essential)

Driven your tank 3D alone (P)
Fightin' in the Battle Zone (P)

(X) Then you'll know that real soldiers don't get another chance

Madam Shang is lookin' out
From her window behind her door
Madam Shang can be a grouch
If you get out of hand while on her floor

In a space that has no heart (P)
Defender is the state of the art
(X) Then you'll know how to give it your all

Feel the moisture on your hands (P)
When you step up to missile command (P)
(X) Then you'll know that Nuclear War Can't be won

Madam Shang is in her chair
Her TV set is always on
While behind my back I feel her stare
Down around her eyes are gone
The centipede crawls the spider hops (P)
The last quarter goes in the slot (P)
(X) Then you'll know it's time to go home
