

5/82 What Object
F7(b)

What object have you seen today
That seemed to take you through the past
Beyond its very function or its form
Was it water from a spout
Maybe many on the touch
a ~~the~~ sound of waves or an alarm

Sometimes in the passing of
this thing ~~that~~ ~~the~~ ~~introduce~~ a boy
can kiss or stab or nudge its never the same
~~It could be~~ ~~shower~~ ~~in~~ ~~short~~ ~~or~~ ~~sign~~
~~tears~~ ~~and~~ ~~for~~ ~~collect~~ ~~around~~ ~~the~~ ~~eyes~~
with little there for memory to claim.

What was it then ~~the~~ ~~events~~
That neither came and neither went
Just seems to have slipped away ~~and be out of sight~~
Oh never mind, that's enough of that
Look how juicy + how fat
This apple is here take a bite
