

# What Do You Do On Sunday

Nov. 6 2

The preacher walked by with a bible in his hand  
~~I thought~~ how strictly to the gospel he adheres  
But I knew he'd change his morality  
If he'd learn to guzzel good old golden beer.

Society frowns upon gambling, n' smoking n' drinking n' vi  
IT ce  
They sternly chastise man's foibles  
But their not always so nice.

People frown upon drinking  
It's sinful even to smell  
They can stay sober in heaven  
Ill stay drunk in HELL

Chi What do you do on Sunday?  
Do you read the good book + pray?  
What do you do on Sunday?  
Do you mess around all day?
