 You're not just a lover, you're my friend too
 C6 Though heaven knows the things we choose
 E7m7 are just as lovely and just as crude
 D9 as only lovers do, D6

You're not just a lady, you're also a pal,
 The perfect balance of a thoughtful gal,
 Who could smile and who could scowl
 As only a lady knows how.

Ch. F9 Not only lovers offer and refuse A6
 D9m7 Not only lovers forget each other too D9
~~F9m7~~ But only lovers find what lovers find A6
~~F9m7~~ Only a lover has got a lover's mind Bbm7
 a D6 loose what E7m7 only lovers got to lose D9

You're not just a lover you're my teacher too
 I'll never get too much from you,
 At sometimes comes in strokes and clues
 As only lovers do,

Ch.
 You're not just a lover you're a stranger too
 and when you are I look at you
 and discover something else that's new
 and fall in love again with you
 As only lovers do.
