

What has become of the Weather?

A E m7
What has become of the weather

A E m7
Lately it's been sort of frightening

D M7 G M7 C9
These changes could bring us together

F# M7 B M7 F# M7 B M7
Like children at night in the lightning

" " " " " "

B m7 C# m7 B m7 C# m7
Summer was summer and winter was snow

A m7 G M7 C9 F#7
Now where it's coming we only imagine

B m7 C# m7 B m7 C# m7
Autumn meant leaves and spring brought leaves

A m7 G M7 C9 F# M7 B M7 E7
Now we don't know when to put on long sleeves

A E m7
When it snows in Miami

A E m7
When the rivers got ice

D M7 G M7 C9
When the West turns to desert

F# M7 B M7 F# M7 B M7
A shift in the climate sure points out our vice

F M7 B M7 F M7 E
Weather don't hear no excuses or lies

(return to first)
