Dance for Simple Joy

Am D(7)(9) G G E7

Usually we just tend to business
From brushing teeth to storm sewer
Walked to one place from another
It's really the most that we can do

But there's gotta be a time for Magic
Gotta be a place for ^{our} joys
Set aside ~~advancement~~ for the tragic
Be ready for simple joy

Sing a song for Simple Joy
It starts off with pretending
Dance a dance for Simple Joy
As if it were meaningful
Now dance!

Alone in your room - with Strangers out there
Do it with neighbors - do it together

Dance a dance + take a chance

Am, Eb9 Bm, F9 E7

Sing a song and dance a dance
and you will find ^{Fm7} That Simple Joy
It can be done - - - -

*(Fm7 Em7 Fm7)
Was Just Behind*

Simple joy is out of sight - leaves all behind
whoopie doo - That's right baby
