Please don't chastise me

for being so ordinary

Please don't expect me

To be more than very very very very

Ordinary - just skin and hair

" - like a cavewoman

like a spaceman

like the chimney sweep

just like Little Bo Peep

like the masses rising falling calling

for instance ~~agitated~~ ~~pleasure~~

like Kings + Queens -

your Zeller

just another fellow

Ordinary - like Lao Tzu

kind of just

gives a sheba

from Forest of Gyras

Lady on the corner just another fellow

and Walter Mitty

in a trapped jam
