

Oh Good School Feb

Oh when the mammals come give me the ~~morning~~ <sup>morning</sup> then  
just you roll over and kiss me ~~to~~  
that is when its clear to see ~~the feeling~~ <sup>what we have</sup>  
so fine hot stuff - its good as ~~love~~  
Good as love so good - so good good as love

Oh when the afternoon with a sax and us to room  
comes to spoon feed its children  
we are more than willing for Pammak's a little  
so great sho nuff - its good as love

Oh

Oh when the evening here I jump inside my cast stars  
over, in your direction  
soon enough were there and then we do whatever happens  
so great - sho nuff - good as love

Oh

In the quiet of the night captured by a cursed light  
dragged into a hall of creatures  
with tortured there by candlelight  
by teachers who were sure they're right

How come! Uh-uh! Good as love.
