I like corn

Since I've born

Don't mind some Cage or Coltrane or
akbar Kahn in the morn

But I like corn - that's the point of this ol song
I like corn ^{shod in shorn}

Take me to an art museum
show me what's deep in dark in worn

But I like corn - Norman Rockwell turns me on

We all like corn - don't have to learn
it's embarrassing cause it goes straight through
Doesn't want you to be improved

We all like corn - the prog is how it gets worn

I like corn - on and on
sometimes like long hair music
They play down town in the auditorium

But I like corn - usually the local but sometimes the foreign

I like corn - I'll never learn
~~sophisticated jazz~~ I'll buy too
But the point I'm making to you is
I like corn - on the guitar or horn,

I like corn - since I've born
also like mashed potatoes
Yogurt Peaches and tomatoes

But I like corn - as do them in you in your

Let some of me...

We all like corn - don't have to learn
it's embarrassing cause it goes straight through
Doesn't want you to be improved
we all like corn - the prof is how it gets worn

I like corn - on and on
Sometimes like long hair music
They play down town in the auditorium
But I like corn - usually the local but sometimes the foreign

I like corn - I'll never learn
~~sophisticated jazz~~ I'll buy too
But she point I'm making to you is
I like corn - on the guitar or horn,

I like corn - since the born
also like mashed potatoes
Yogurt Peaches and tomatoes

But I like corn - as do them in you in your
