

You've come a Long Way Baby

Nov. 77

I've read the advertisements  
you all know what they say  
They say you've come a long way baby  
They say baby you've come a long way

Ch. {  
You've come a long way baby  
" " " " " "  
" " " " " "  
Baby you've come a long way

I took a look at the lady in the picture  
She dressed like a marionette  
She was alone  
She was good looking  
She smoked a cigarette

Ch.

Then I saw a woman in a magazine  
Wear a sweatshirt that had this to say  
I'm not a baby  
and I haven't come a long way

You're not a baby  
" " " " "  
and you haven't come a long way

That's just what my kids would say  
If I'd said that to him  
Even if he was 1 mo. old and had come from Too Back (in)  
and if ever I meet that person's person who was the secret...

She dressed up a marionette  
She was alone  
She was good looking  
She smoked a cigarette

Ch.

Then I saw a woman in a magazine  
Wear a sweatshirt that had this to say  
I'm not a baby  
and I haven't come a long way

So you're not a baby

" " " " "

and you haven't come a long way

That's just what my kids would say

If I'd said that to him

Even if he was 1 mo. old and had come from Too Back Tim  
and if ever I meet that serious person who was the sweetest thing that  
I'd thank her for enlightening me and the world.
