 B7 We were hanging up the laundry hanging up the laundry,  
 Time in our hands, come the ocean breeze.  
 We were huggin' and a squeezin', huggin' and a pleasin'  
 Lovin' in a season as playfully as please.  
 We were there, who could say for what  
 It's when we lean out on the rail  
 What matters what we've got,  
 Got no chance to begin with  
 Got no wish to embrace  
 You're such a joy to be with  
 Am Bm Am Bm Gm Bm Bm Gm7  
 I want no, I want no, I want no, I want no other place.
