# If there's anything I'm Fearing Up

69 If there's anything I'm <sup>C</sup>fearing up in being <sup>F</sup>hallow please tell me  
I wouldn't want to waste this <sup>Am</sup> precious life. 67 <sup>Fm</sup>

If there's anything I'm <sup>C</sup>fearing up in being <sup>F</sup>hallow please tell me  
unless of course <sup>Am</sup> it happens to <sup>Am</sup> my wife. 67 <sup>Fm</sup>

67 I'm afraid of life, I'm afraid of life. <sup>Am</sup> D7  
You'll be too if you were my <sup>Am</sup> third wife. B69

I'm afraid of life, I'm afraid of life. <sup>Am</sup> D7  
But am <sup>Am</sup> relieved because it <sup>Am</sup> contradicts. B69

and I really am, I really am, I really am, I really am, I really am. <sup>Am</sup> D7

If there's anything you don't admire in one who's driven by desire  
Then please tell me because I have a friend. <sup>Am</sup> D7

If there's anything that I am missing then please tell me and I will listen  
Sometimes I wish to hell that I would end. <sup>Am</sup> D7

I hate life; I hate life; it's just because there is no place to rest  
I hate life; I hate life; opposed it is what I do the best. <sup>Am</sup> D7

and I really do

If there's anything I've got mixed up then I would like to hear just what  
For instance can you show me its advance. <sup>Am</sup> D7

If there's anything that I should do, then please tell me what that is  
I'd hate to throw away a fleeting chance. <sup>Am</sup> D7

For I love life; I love life; Maybe because I'm not being fortunate now.  
I love life; I love life; but cannot stop it as it's winding out. <sup>Am</sup> D7

and I really do

If there's anything we can improve - then please tell me and I will know  
I'd love to help the universe somehow - <sup>Am</sup> D7

If there's anything that's always free then please tell me and I'll show you  
For in my mind are always forms of doubt. <sup>Am</sup> D7

But I believe in life; I believe in life  
Not defining it organically or not  
I believe in life; I believe in life.  
But I don't believe in much of us somehow. <sup>Am</sup> D7

and I really do
