

Dec. 77 Help, I'm an animal escaped from the zoo

Help, I'm an animal escaped from the zoo
I'm begging for help from you
Is there anything you could do?
For an animal escaped from the zoo?

yes, I'm an animal lived in the zoo
I'm sure you've seen me there,
Thank you for your visit
It's nice to know you care.

Much as there are blessings
There's sure room to improve
I just can't adjust to the concrete & steel
No matter what grammars you use
It's a hell of a life in the zoo.

So I got out by accident and now among the lambs you know
But I've become somatonic and there's no place left to go
Can't go back to the jungle; it's uncool, they've got me covered there
I can't go back to the zoo - can't go anywhere
Please don't take me home with you - I won't adapt I think
There's no place for me to hide - I'll just get thrown in the dust
All that I now ask of you is to let me become extinct.

Help, I'm an animal escaped from the zoo
It drives me crazy in there - just the same as it would you
I'm no different from you - Put yourself in my shoes
Turn your attention to those who have hope and let me become extinct
I'm begging for help from you

I just can't adjust to the concrete & steel
No matter what grammars you use
It's a hell of a life in the Zoo

So I got out by accident and now am on the lam you know
But I've become so neurotic and there's no place left to go
Can't go back to the jungle; it's too cool, they've got me cornered there
I can't go back to the zoo - can't go anywhere
Please don't take me home with you - it won't work out I think
There's no place for me to hide - I'll just get thrown in the dump
All that I now ask of you is to let me become extinct
