

Things of Love

I can't give you things of love
 I can't show you things of love
 In the moment I may pray for you
 and let you have

 I can't give you things of love,

I can give you gifts from the store
 I can buy you things from the beach
 you can dial their numbers on their dials
 and see them smile
 or not
 But I can give you only what I reach

I can't make things magic

 I can't give you things of love,
