

I thought of you

June/76

7

Bogies in key Largo ^{Bb9⁺ Am} but I thought of you ^{D+}
 sipping spensend brandy just like Waterloo ^{Am Bm G7 E9}
 that's have been free like the easy gon ^{C+D Am G GM7}
 In an alley, by the sea, it was just a curlyche ^{Bb9 F#m E7 Bb9 E7}
 Oh yes? oh yes? — I thought of you ^{Am7 Bm7 Do G Bm Am G}
 Seminoles in the hurricane while your image blew ^{Am Bm Am}
 I'd like to get it over just like a kangaroo ^{F#m Bm Am G}
 Or rather be undone or mindlessly out having fun ^{CM7 Am7}
 On the boardwalk, on the run, down by the avenue ^{Dm7 G9 E7 Bb9 F#m}
 But of all things — I thought of you ^{Am7 Bm7 Do G Bb9 Am7}

It emerged by addie and lies yet you still got through,
 Fact Lauren B. and Edward G. and his whole nutley crew
 If I'd a had my choice; I'd be refined and poised,
 On the farm or with the boys do what am I to do!
 Such desire — I thought of you, G ^{Do}
 I'd rather have been on the Tapangee ^{Bm Am}
 In Tangi's bar or Trapped ol' Lee ^{Bm Am}
 I'd rather thought of something else ^{F#m Bm}
 Or just been with myself G ^{Am}
 Or by the way or eye in bye ^{CM7 Bm7}
 Or in the mud that's in your eye ^{CM7 Bm7}
 Or some lie or some half truth oh oh ^{Am7 Bb9 E7 E9}
 anything but love — I thought of you G ^{Am7 Bm7 F#m7 Do}
