

Tomorrow I will see you [Oct 76]

A
Tomorrow I will see you
See you in the city
Tomorrow I will see you pretty soon
Tomorrow I will see you
My friend and dear lady and
Tomorrow I will see you pretty soon

Tonight at home I'm packing
Packing up belongs
Leaving Dallas early afternoon
It's nice to be at home but there is so much gone
Oh tomorrow I will see you pretty soon

D
Tomorrow I will fly across the Southwest Desert
Tomorrow by my side with a little bit
Tomorrow I will be met by a friend
To see you again on the cool bay

I'll bring round the kitchen
Straighten up the den
Half aware of things that I am doing
Mother's gone to sleep - She's been good to me
and tomorrow I will see you pretty soon.
Back in Northern California, we'll unpack and talk about it
What's occurred to me and what's gone on with you
Feel our beating, use our hands, circumstances and our plans
Yes tomorrow I will see you pretty soon.
