He french kissed my ear from  
 I know that it <sup>was</sup> the back seat  
 But he's just my good friend and he's <sup>not</sup> a queer?  
 Oh how nice when he french kissed my ear

Maybe Whales are just superior beings  
 that long ago beak out through DNA discoveries all possibilities of  
 Not pick + choose - good spelling, bad manners, hot stuff  
 Hallaluyas for what runs through yees  
 and yet we can't escape opinions death and grapes

No need to be involved with Progress  
 like the growth of all around us  
 inevitable and beyond influence  
 we will stay with it only as the course of least

We can always rebel. Always.  
The path of light may be to rebel or not. Jesus,
