

Drug Free

~~Tonight~~ ~~No thanks~~ ~~more for me~~
I'm gonna go to bed drug free
Had enough Had enough

One Day at a time
If I feel bad or If I feel fine

So glad I'm drug free
Let's go to bed early squeaky clean

No thanks none for me
~~Tonight I'm gonna go to bed drug free~~
Or There's no end no end indeed
~~It was either them or me~~
~~tonight I'm gonna go to bed drug free~~
~~feeling bad or feeling fine~~
Love my friends in brain or spine
And it's one day at a time
~~Now I'm not missing a thing~~
~~feels good to be squeaky clean~~
It was either them or me
So glad to be drug free
