

And Professor Lens

Byzantium

A great many things
can be put in the big suitcase

My children Majigeechie

Droog (friend)

Droog-Droog
one another

Don't Want to be
your enemy

Don't Believe what they say about you
We can't be all that bad now can we
Why can't we just be good neighbors
Instead of Dead Neighbors

Don't Want to tell you what to think
how to live
I like co-existence
We could even do better than that
Oh Drat

Things don't have to be this way
We don't know how they really are
I don't know what the problem is
But it's surely not a cause for war
I mean what for?

They say we gotta have the bombs
Keep the balance hold em back
Gonna kill our kids + yours
(Gonna kill us too)
I'd rather take the other chance
Than no chance
