

^{GET MOVING!}
Shopping down by Market Street a typical foggy day
Saw a guy with a "Doom Sign" "The end is near at hand"
So what the ~~there's nothing you can do~~ I shrugged and ~~shook my head~~
"There certainly is" he ~~scolded~~ me and then had this to say
~~Talk to a stranger~~ ~~talk to a friend~~ (Use the phone
Get out some paper, pick up a pen ~~or drop right in~~
~~Use the phone~~ Drop in ~~or drop right in~~

Don't give me no balony bout there's nothing you can do
Ch. Get movin (Get movin) Get on the move (repeat)

~~When you get out~~
~~ask a few questions talk when you meet~~
~~with a stranger downtown or a friend on the street~~
Lead a hater in line in being depressed
Move at this way and move it that
With a friend ~~or a neighbor~~ stranger or a group
Ever so often just for the soup

Ch
