

sitting by the kitchen Table
 The Night Staying By
 all it do is by to get from you
 are sweet smile

~~Come on~~ I had seen you do it
 so many times
 But when you look at me it seemed ~~different~~ ~~thing~~
 One Sweet Smile

~~when you do it~~
~~you know~~
~~I know you~~
~~to certain ways~~
~~you use your face~~

~~Barred your eyes~~
~~I got and watch you close~~
~~and wrapped all the things~~
~~That I had~~
 with One Sweet Smile
 People are
 This poor old world
 and
 But
 we how
 we do
 we soon
 sweet smile

I'll tell you the whole story of the world
 I'll tell you the whole story of the world
 I'll tell you the whole story of the world
 I'll tell you the whole story of the world
