

What have we gone & done?

~~I take a look~~  
~~On a sa~~

I open up the paper after breakfast <sup>only</sup> and after as I read it I wonder what we've done

I drive my car to work then <sup>for a while</sup> with the Sun and as I listen to the news I wonder what we've done

~~I take a look at what we've done~~  
What have we gone & done

I eat lunch with my buddies and after we have fun and as I look about us I wonder what we've done

~~I~~ I watch the evening news and ~~am~~ confused as everyone ~~is~~ and when I put my child to bed I wonder what we've done
