

Oh I am the guard who protects the land
 You all depend on my eyes and hands
 I'm proud beneath this bird so I find
 Life in the kingdom is good

Oh I am the Princess and there is no Queen
 For such a title would be obscene
 Oh I help to keep the folks serene

Oh I am the Prince who governs the land
 We are strong we are free we are republican
 Oh I spend my days playing backgammon

~~I am the Clown~~ ~~that~~ to keep a balance and the
 Oh They're lucky that they've got me around
 I laugh at them if they're up or down

Oh I am the Gardener who tends to the garden
 I once was a sheep but the Prince gave a garden
 I also take care of the lawn of the warden

Oh I am the Woman who teaches the kids
 Including the two that I am with
 And our hand of that muste I'm trying to rid

Oh I am the girl and I am the boy
 We play and we learn and we cry and enjoy
 and they're trying to take away our joy

Oh I'm the magician who keeps in touch
 With what's really happening and what is not
~~But~~ Power like that ~~we should~~ get rid of

It am the man ^{who sells all} ~~who doesn't sell~~
~~The problem is~~

~~that~~ their clothes their homes their music
Which protects us from the Enemy

I am a visiting enemy
Everyone is ~~that~~ to me
They say they only hate my King
~~at the kingdom~~

We are the people who love the land
~~We love her all well~~
The land we love ~~and protect~~
