

KGO vs. KGBS
Make it 2 ~~more~~ conflicting
views with conflicting facts.

but,
resolve it with

— Today's peace movement
is radically different from
past ones in that it is
not based on altruism, desire
to reduce suffering, or compassion
or pacifism, or high moral grounds
or a world without war. It's not
anti military. It's survival of the species.
Our defense systems become
dangerously ~~close~~ over us, every
bit as much the robot monster
of any of science fiction story. All people
can rally behind the cause of
stopping total destruction, and in
doing so may set up a path to
peace. For just as our acts have
tilled toward war, we can change
them so that they fall toward
cooperation. We need only to
focus and act.

We gotta be strong
We remember the past
When tyrants ran over
Who couldn't resist
If they
