

Hey Well . I want to take you
" " to a love hotel
" "

But pretty baby ~~if~~ I know it's
not right
to take you there because you're my wife
~~but~~ I might break the rules and be a disgrace
for a couple w/ a baby to go to Sodaplane

Oh my big bopper, I might be wrong
But if you + Clay would come along
we could have fun that way out
and be together all day and all night

Baby Clay Baby Clay Watcha do Watcha say
Gochigo Hey Hey Pabalo Poo beh
When we walk down the street
all the people say
There's babies on parade
Watcha do today
