

A  
you'd so leg brand

D  
Driven me 'some cl.

A  
It's such a pain

But I blame you

A  
anyway

D  
looked at the paintings in the MUSEUM  
your stressin' out <sup>the moments</sup> as you see 'em  
Especially what do they mean I have no idea

Ch

That letter I wrote go with the goddess look  
The one into which I poured out my nerves  
you pointed out I misspelled a verb

Ch

Like the myth of the goddess who  
who pulled back the veil & fulfilled every wish  
Like Literal Maker she whole point  
you missed
