Oh Dianne It's Time To Go

Oh Dianne it's time to go
So I thought I'd let you know
That you'll be missed there my blair
By the dateries and the rosen

"D " " " "
Wouldn't guess you thought I knew
Wouldn't dress the sky in blue
Wouldn't wet the bamboo at noon
We are there together
Where noone's been through

Oh.

(repeat last line)

Oh Dianne I won't chain my thought
By your name & promise we be caught
As we open that which we have brought
Use it up dear so it will leave us naught.
(repeat)

Oh.

Oh Dianne be back before it's dark
Early kisses for an early start
Love is in the scenery
and maybe in our hearts
If we all are one then how could
we be parts.
(repeat)

Oh
