lookin in the closet E7
But all I can see is my shoes
opening the window - to see the cars and mengo
Meandering by — Actually they rush —
but why make a fuss about vocabularai
Pardon me crazy air - What are you holding there?
Lookin out the window - don't mean nothing
" " " " " " something
" " " "
but all I can see is out there

Lyin' alone
Feelin my toes
It feels OK
Reach in my heart to all those apart
And hug 'em there
Lovers must so very near
What can I do for you dear
Wigglin my toes
Don't mean nothing
Wigglin my toes don't mean somethin
" " " but all I can feel is my hair
