

I fall in love with Water

I fall in love with water ^{21/10/9}

Rollin down my body

~~I fall in~~

~~Flowin in a stream~~

~~Comin from the sky~~

Water is the most of me.

I fall in love with water

Comin from a faucet

I fall in love with water

I suck between my toes

I —

Something like an other

I love water everywhere it goes.
