Morning - before the light - we meditated - we
Breakfast - over coffee - we discussed
our positions
afternoon. It was a nature walk - sure we took the
We do all sorts of stuff as the day goes by
But in the evening we fuck like pigs
It's out of the bag - she is blushing and shocked
Everyone turns her way
The men start to drool - they pocket their tool
Even the guy who is gay
Sometimes - we read long books - with
Sometimes we play long hairs music - the whole body - and
Sometimes - we recycle or go out on archeological digs
We may play or be diligent and persistent
But in the evening we fuck like pigs
sex in the bookstores and on TV talks shows
We have numbered the positions and thought about it
Studied all its hangups and repressions
Pitied the victimized wife and bedded the fifth boys
