

~~Its late~~ ^{Am} ~~Am~~
But the ~~office~~ ^{Am} ~~is~~ asleep

Its late
Maybe I should read

~~Its late~~ ^{Am}
But duty waits for you and me

Its late
~~Is there something I need~~
Its late
all the wise men are asleep

But sometimes it sure seems ^{Am}

There's so much to get done ^{Am}

The maiden ^{repeat}

In her sore distress
Went to city hall and crawled up the steps
Man looked at ~~his~~ watch the clock
Said oh I must close the desk
Though there's so much to get done

Pretty maiden
So much to get done

The channel swimmer

~~Swam~~ swam and swam ~~from~~ ~~England~~ to France
Had the ~~best~~ rocks of Normandy almost in his hands
One stroke to go he said ~~that~~ ^{let's do it} back around he swam
Cause theres so much to get done ~~not~~ ^{Dark Ocean!}

^{Am}
So much ~~to~~ I can't sleep at night
So much can't work ^{Am} in days
If you know ~~what~~ one thing to do
Buddy Would you say ^{Am}

~~He~~ knew a man who took his fund and
never pushed a day
He ~~was~~ ^{to} feed his plants ~~to~~ sleep ~~to~~ eat ~~to~~ play
there ~~are~~ all thousands grateful to him to this day
