

Ek  
One fine night

Wrote I been written for  
One fine night

~~to the~~ On the road to the beach  
One fine night

Forgot <sup>just</sup> what happened there but  
One fine night

Still comes back to me  
Seems that its very long away  
Seems that I cannot reach  
Maybe ~~there~~ no duplicate  
Or try to repeat

One fine night  
Thoughts always pulled there  
One fine night

What have we got now  
One fine night

I'll leave it behind me  
One fine night

The new moon is out,
