

Take this man that don't go  
Though he goes slow <sup>slow</sup> as he can  
Take this man that's on the go  
He's a go-go man  
Take this man like 1 2 3  
Take this man away from me  
Take this man if you can  
If you please take this man

Take this man that can't say no  
Though he's provin' as much as he can  
Take this man from off his pole  
Man on the bear-stalk  
Teach him some clean talk  
Take this man if you please  
Put him in ~~the~~ ~~sun~~ ~~the~~  
With the shade of trees  
Take this man if you can  
If you can please take this man
