Words & Music By David Chadwick

Chorus

If there were some-place to go_____ If there were some-place to be__

Oh my love I would car - ry you A - way with Me__

Verse

On a mid - sum - mer bench neath two decked car - ou - sel waving to
My loves and my bud - dies my child and his friends and the mansitting

horse - men that pass side The pip - ing of wal - tzes and mar - ches and bells
there by my side The mil - ling me - an - der - ing fat - tened and thin with their

wea - ving a mood of the past In - dul - gent De - lib - erate and so bitter
sad fluf - fy sou - ven - its glide At - ten - dants re - slen - dant in brightun - i -

sweet in the corn dog smell daze there that day and wist - ful - ly
forms and the fami - lies that don't get a - long to all theseand my

sav - oring the mo - ments re - treat I chan - ted a long this re - frain.
dreams I payed keep them from harm soft - ly sang them this car - ni - val song.

Repeat Chorus
