

# Fools together

David Chadwick 70s

*[Start with nstrumental verse]*

F D  
Fools together, fools together  
Bb C7  
Fools our whole life through  
F D  
Fools together, fools together  
Bb C  
Whatever it is that we do  
F FM7 F7  
There may be times that we are super duper smart  
Bb G7  
And others that we sail through  
F A7 D  
But usually we're foolishly fools  
Bb C F C7  
And fools together too *[last time]* Bb D G CF C F  
And fools together too.

F D  
Fools together, fools together  
Bb C7  
Fools from head to toe  
F D  
Fools together, fools together  
Bb C  
Wherever it is that we go  
F FM7 F7  
There may be heroes, bodhisattvas, good hearts  
Bb G7  
And moments of clarity too  
F A7 D  
But usually we're foolishly fools  
Bb C D  
And fools together too

*[Instrumental verse then repeat first verse]*
