

I can't Stop Cryin' Over You 5/86

I've done everything that's possible
up to ~~now~~ now
He used every trick he learned
and ~~to~~ to know how
But tonight is like a tragedy
a ~~tragedy~~ ^{tragedy} ~~tragedy~~ ^{tragedy} come true
Cause I can't stop cryin' over you?

It sounds just like some country song
you've heard
But it's more like the ~~death~~ ^{broken} ~~heart~~ ^{heart} of a songbird
They say water breaks the strongest walls
The ocean's flowing through
Oh I can't stop cryin' over you

I know that you have suffered
And built your own ~~defense~~ ^{Wall} ~~defense~~ ^{defense}
But let me agree to any ~~terms~~ ^{oh yes any of your}
That leaves us ~~room~~ ^{room} to ~~beat~~ ^{beat} the air to ~~live~~ ^{live}

I've studied with the wisest
and the best
I've learned to take no foolishness
or lies
I thought I knew the ~~false~~ ^{just} ~~the straight~~ ^{the straight}
the grey the black the blue
But I can't stop cryin' over you?

You might think that this is
some stupid exercise

From one who writes ~~for~~
~~with a change~~ stupidly quite

The form may be traditional
but she ~~is~~ ^{is} true

and I can't stop crying over
Well I feel so helpless
I would love to be less crude
But I can't stop ~~from~~ crying over you

I need to get to ~~stop~~
but my checks got wet it's true
I can't stop crying over

~~is it over yet?~~
~~is it over yet?~~

But not now
I can't sleep
Time will heal this helplessness
But now I can't stop crying over you

Crying over you
I'll sleep somehow
Time will heal this helplessness that's slowly passing
Finally I've stopped crying - Was it over you?
