

C Here in my chair 2/86
Don't want to be in Rio de Janeiro
In Rio de Janeiro by the sea ~~by the sea~~
Don't want to be in ecstasy by the sea
I'm in Ecstasy anywhere
Unless it is here
Here in my chair

—
Guess I'm just the lazy type
The lazy type at least I thought
Guess I am a lucky one
A lucky one at least I thought
To be here
Here in my chair

—
Don't want to lie on the bed
Don't want to stand on the floor
I might have to go to the wall
I might have to answer the door

This is just the cats means
The cats mean oh boy & how
This is ~~my~~ such a dandy seat
My randy ~~sweet~~ ^{sweet my randy sweet} I'm here
I'm just here

Here in my chair
[Whistle 1st line]

You might have expected Pete
But its just me my dear
here

Here in my chair. } repeat
