I saw the hand lay down  
I heard what it said  
It was a hand me down  
For the soon to be dead

oh dear were soon to decompose  
oh dear what do you suppose?

So darling, alternate soulmate  
Tell me what you think  
I think we're well made on the way  
to the land of blintz

That's right Baby  
Blintz yours, existentially yours  
Them eyes brown + brown  
and we escaped in the blintz.
