~~There~~ be No one
like you again

C ~~AM~~ AM ~~F~~
Take my advice of the fortune teller said
C ~~E~~ E ~~A~~ A ~~AB~~
Leave your troubles for the future you dread

F ~~D~~ D ~~mid~~ ~~C~~ C ~~G~~
and No matter how it works out ~~never be no one like~~
C ~~P~~ P ~~7/6~~ 7/6 ~~A~~ A ~~in~~ in ~~G~~ G 13
again

Now we could ~~say~~ ^{say} the very same thing
~~to~~ To anyone who gives us the same
But these days I just got a mind to say
There be no one like you
again

~~Gather round children, poor + friends~~

~~Strangers, idols~~

~~Take my advice~~

~~The fortune teller said~~

~~Forget the past~~

~~Embrace the future you dread~~

~~There'll never be no one like you
again~~

G G > Be no one like me too

On the way when to ~~Someplace~~
~~But then to where it's not sweet yet~~
~~Keep your heart open~~

Turn to another while you're at the wheel
You can't tell them how you feel you say
~~There'll~~ There'll be no one like you
again

~~Sometimes it's now and then / Sometimes it's mundane
Times it'll be polaritic and at others quite insane~~
